

THE D-TRUST BUSINESS PORTAL

The online portal for electronic document management
Efficient, simple and secure

Large corporations as well as small and medium-sized enterprises regularly exchange thousands of standard documents, such as orders, delivery notices or invoices, with their business partners. Routine processes like these can now be carried out in a simple, efficient and secure way using the D-TRUST Business Portal. More than 60,000 satisfied users already benefit from this network.

Your benefits:

- > Lower costs
 - > You can use the D-TRUST Business Portal straight away without having to invest in hardware or software
 - > When it comes to documents sent and received, you can cut your current process and postage costs by up to 70%
- > Simple to install and easy to use
 - > Installed in a matter of minutes, the VIPER printer driver ensures optimum document management
 - > Via your portal access, you can use and control all services of the Business Portal with just a click of the mouse
- > Transparency
 - > Data and costs are fully transparent for all incoming and outgoing documents
 - > A powerful monitoring system provides full document access and control
- > Legal certainty
 - > You can rely on the know-how implemented to send invoices in compliance with international laws
- > Success as a network
 - > Find your partners in the network so that together you can benefit from efficient document management
- > Environmental protection
 - > Protect the environment through persistent paper-free document exchange
 - > Cut costs and save energy by cutting out avoidable printing and transport processes
