

## THE MOBILE KIT

### Mobile services for municipalities and citizens

Bundesdruckerei's mobile kit now enables municipalities to offer their services irrespective of location. This means that citizens everywhere can be served in a cost-efficient manner. This mobile kit is extremely user-friendly and comes with a wide range of options for public agency services. Bundesdruckerei's expert team offers comprehensive support during the introduction of this new mobile service.

#### Advantages at a glance:

- Citizen friendly thanks to location-independent public agency services
- Easy to use and transport
- Fully equipped and compatible with various registration procedures
- Can be easily integrated into legacy IT infrastructures
- Comprehensive consultancy and support services from Bundesdruckerei
